

## **The Rosetta Bar and Grill**

# **Welcome!**

In order to comply with the Government guidelines post COVID 19, we are required to keep a record of the contact details for all our guests. We are using a dedicated system to record these details so that it is easier for you to use and to assure you that your data is kept securely.

**Please scan the QR code below and complete the sign in form.  
Only one member of a party needs to sign in.**

**Or go to this link <https://signin.rosettacloud.co.uk/greencatswimming>**

**You may be asked to show the sign in form to our staff.**

If you don't have a smartphone or you have any problems then please ask a member of staff for help.

Your data will be stored on a secure server for 21 days and then deleted. It will only be used by the NHS track and trace service and only if they ask for it. It will not be used for any other purposes.
